“ *What a dear man and amazing friend. We will miss your generous spirit and great sense of humor. Honorable is an overused word. But it sure fit Ted. He was a much loved friend to my sister and a "member" of our family. "That's all I got!" As Ted would say. Rest in peace dear gentle friend.*

“ *Oh my God. I just found out that my friend Ted passed away. He and I have known each other for over 25 years and were boyfriend/girlfriend for about 10 of those. Even though we weren't together as partners, we remained good friends. He was a good man. My family loved him like he was one of us. He will be missed and in my heart forever.*

“ *Condolences to the Ambrozy family. I work at CTC. Throw all your burdens on God in prayer now and in the days ahead, and the Bible promises that you will receive "the peace of God." Philipians 4:6 & 7. Our prayers are with you.*

“ Ted, You were the first guy I dated when I moved to Michigan. I will never forget all the fun we had, especially on your boat. We were out on Lake St. Clair during the Black Out, that was a trip. You had a heart of GOLD, and would do just about anything to help people in need. I will surely miss seeing your smiling face riding your bike through the halls here at CTC. I know you are now with your Mom and Dad who you loved so dearly. It's just so sad you had to leave us so soon. You will always have a special place in my heart. Rest in Peace my dear friend.

“ *My name is Cyndi. Or should I say Cynthia . Ted always called me Cynthia , (or mama bear) I always called him Papa( bear). I've know Ted 7 years. We met At CTC. I was in house keeping. I'll never forget the day we met.. It was hilarious ... As usual with Ted. We both knew there was a friendship there. Little did I know , that this wonderful , funny guy, would be my Best friend. He was my family. He was the person who I talked to about everything. Sometimes I think he was sleeping during my venting. Heehee! No . He always had advice ( which he was always right ) he was always truthful, even if it wasn't what I wanted to hear. He called me every day , @7ish, to check on me, & catch up. Seven o'clock will never be the same . I will miss him forever. I will love him forever . I will think about all our talks & get togethers. Forever.. He was my Teddy Bear & now my Guardian angel. I know he will be watching over me . He wouldn't have it any other way . I will make u proud , as u watch over me. I promise not to vent too much , and scare u away .. Heehee. Love you so very much. Cynthia & the kitties=^•^=*

“ *My Dearest Friend, Big Brother (Ta-jew), We have been good friends since we were kids!! All the laughter, tears, memories of camping, parties and chats about growing up and complaining of being grown up and everything - always made my day and made me a better person. I know you still have a nice bottle of wine in your refrigerator for me and my sister Linda whom you loved so much. I'm so sorry we never got the chance to get out there, but glad I saw you a few weeks ago in Hamtramck, trying to fix a problem for your 2nd Mother. We will miss you dearly buddy and your big brother advice. You were the nicest guy I knew and will have to change those plans for the future. No one will ever take your place of that big teddy-bear-hug. All my love and peace in Heaven. Love you so much!!*

*I can not believe it as I saw his house for sale. I thought he was finally going to retire. I just talked to him and his girl friend a few months ago he passed away.. I have been a friend since 1979 and he picked up my new car for me. He was only 18 and I was 19. His mom was very special. I was ready to call him and look up his number wondering why we have not talked. How could I have known I really miss him. I am sure he was looking after me as I was involved in a car accident. Two days after he passed away. I kept telling him to slow down enjoy life. He did not refuse overtime. I feel so lost. I loss a friend a phone call but I am thankful to have his memory.*

*Dearest Tadz (Thaddeus),  
I knew Ted from back in the days at St. Ladislaus. Even though he was a few years older, everyone knew the infamous Ted Ambrozy....: ) I later found him working at the Chrysler Tech Center where I worked. We rekindled our friendship and his kind, teddy bear heart shone through. We shared the common bond of life in Hamtramck and what it meant to be Polish/ Ukranian. I am glad I sent you those devotionals each quarter, I am just so sorry that I did not know you were gone (the month after your birthday dear one. You will be missed by all who loved and cared for you and that defintely includes myself and my husband Jeff. With much sorrow. Love you Tadz.
