“ Played with teddy 44 years ago at greenridge in the insurance youth golf classic what a player at 15! I never saw him again but I thought who is this country boy with a little stumble on his chin. My name is Ben houseman and I just wanted to say he was a nice kid and I never forgot him. We had fun he was very confident life goes too fast so sorry

“ I want to express how very sorry we are with this very sad news. Teddy has been part of our Trim Cut Family for 15 years....and we adored him.

*Personally he always made me smile and I always looked forward to talking to him at the beginning & throughout the season. His infectious laugh & wonderful sense of humor always brightened my day & put a smile on my face!
I will truly miss him.*

*I want to extend our deepest sympathy. We work with so many different people through the years & some just leave a lasting impression as Teddy did.
So during this time we send our thoughts & prayers to his family as well as everyone at Tru-Green.*
