“ We lived upstairs at the Dziekan house on Hollywood and had our two babies there before being sent to Germany with the US Army. Terese and her parents were wonderful to us and we will never forget it. We exchanged Christmas cards for years and then lost track of each other. We speak of the Dziekan family often. God bless all of you at this time of your loss and always.##imported-begin##Margaret and Jerry Buza##imported-end##

You were the best. So many wonderful memories, some of which we recently shared. You made an impact on all of us with your sense of humor, your good heart and your wisdom. I will miss you very much.##imported-begin##Lori##imported-end##

“ Auntie Teresa,

It was by your example and kind nudges that I learned "proper" behavior, through your encouragement that I was shown strength through gentility, by your love that I was taught that family was of the utmost importance. With your guidance I always stood tall and proud to be who I was. What you gave to me, and your other nieces and nephews, so equally and unconditionally was a blessing we were all so privileged to have received. May you be rewarded now by eternal peace in the arms of God.

Dziękuję, Do widzenia##imported-begin##Janee##imported-end##
