

Teri Jo Velger

December 9, 1957 - January 2, 2023

Teri Jo Velger was born to Joan Belanski and the late William Meachum on December 9, 1957. On March 14, 1981, Teri married the love of her life Earl. She became a loving mom to her daughter Natalie (Will) Campbell and her son Craig Velger. She also became “Bonus” Loving Mom to Rob (Virginia) Velger, Dawn Velger and Rick Velger. Cookie, as her grandchildren adoringly called her, she doted on Tyler (Tara) Velger, Hunter Velger and Harper and Charlotte Campbell. They were soon joined to that love by her great grandchildren – Weston and Reese Velger. It was always evident how much she loved her family and spending time with them was her first priority. Teri had the love of traveling, especially enjoying boating, fishing and seeing the freighters and lighthouses. She was also fond of sewing and stamping and spending time in the kitchen baking. She had a pride in her family only surpassed by the love she had for each and every one of them.

“She was a pillar, a gift of love and treasure to our family. Always caring, ever kind and giving, even as she battled illness. She is free, restored and peaceful in the arms of Jesus for ever more. Praise God! Please Pray for the family during the season of mourning and deep sadness.”

“ Dear Earl and Family. We just learned of Terry's passing today actually by accident - I was writing another tribute to a friends family when I looked and saw her obit. We are so sorry and words cannot express the sadness we feel today for your loss. Please accept our sincerest condolences and we pray that God will surround you with love and peace in your times of need. It has been a while but I can still visualize her by your side on your boat. Please know that we are thinking of you and that she will always be with you in spirit. Take care. Larry & Sandy McGuffie

“ This will leave a huge void in our lives. We are devastated, heartbroken and full of sorrow. We have so many wonderful memories together. You and Earl were our friends, but you treated us like family. Teri Jo was the most sweet, kind, caring, wonderful person I have ever known. Prayers to all of the family to get thru this time of grief. Absence from the body is to be present with the Lord. My solace is that Teri Jo is not suffering, and has eternal life with our Lord Jesus Christ. I will love you forever.

“ My favorite days of knowing this wonderful woman are the days she took us in during our days doing Hurricane Restoration in 05 and 06 for FPL on the weekends. We would show up on Saturday afternoon and get fed like family. Then we would fish with Earl and get fed again. Hate to say Dale no it's not pate as Teri would say it's Fn fish dip. Thank you Velgers for the years of friendship and the great memories.

Your Friend
R2 as Teri would call me...
