“ I am one of the fortunate ones, because 25 years ago, I not only got the extreme pleasure of meeting Terry, but I married into his family, gaining one of the best men as an Uncle. Several years later, when we had our first child, it was Uncle Terry and Aunt June who sent our newborn son his first Thomas The Tank Engine Trains, ultimately creating a life long love of trains. Never did a special moment in our lives go by without getting a phone call or letter from Uncle Terry and Aunt June. We always knew he would have a good joke and he always made us laugh. Our love and respect for Uncle Terry is un-measurable. May God Bless Aunt June and the entire family. Love, Janet Francisco

“ I will miss my Uncle dearly. I loved his sense of humor. He had to have it with the Lions. We talked about sports and his love for fantasy football. My thoughts are with my Aunt June, cousins, and their families. Strength is in family and we move forward with a loss of a loving, honest man. My family's prayers are with you.

“ A gentle soul with a magnanimous persona. You are now in Gods loving arms I pray. A envious position we all strive for. May your family be comforted at this difficult time with the knowledge that those who truly believe are afforded eternal life
