“ *One of my best friends died.
This man was my rock! Helped gut and fix my Mom's house when my brother died. Worked 4 months and spent a ton of money decorating it to make it beautiful for her. You were there for me through so many ups and downs! I could always count on you! I will always love you Terry! 32 years my friend! Thank you for the ride of my life! You wonderful gentle giant!! RIP
You will always remain our "special family"!*

*Terry was very good to my parents Mr & Mrs Carter when they moved on birchcrest. Terry helped them when anything broke at the house. Now my father and Terry will be talking a lot like they always did sitting on porch.
Much love from the Carter family*
