“ Uncle Ted was one of the best people I knew. I hold his memory very close to my heart. Although I only got to see him once or twice a year, I felt a very close bond with him. During our family Christmas parties, Ted would play Christmas music on his saxophone. When I was younger, he would encourage me to play my clarinet with him but I was always shy and hesitant. He never pushed me to do anything I didn't want to, he waited until I was ready. The first year I played with him, I was upstairs playing Christmas music by myself and he would chime in from down the stairs, we went back and forth. The next year we played our instruments together on the stairs because my cousin's and I were still nervous to play in front of everyone so uncle Ted sat on the stairs and played all the Christmas music he knew with us. The years after those two, we played together at every Christmas party. I am going to really miss uncle Ted, playing our instruments together and getting to bond over the music.

“ I knew Ted from Chevrolet Engineering and knew he had a band so , I asked him to play at my daughter wedding so Ted's band (also Tom Smith) played at my Daughter's wedding on March 14 ,1980 at the Vintage House and were just great. They made the wedding so much better with their playing. Ted always had a smile on his face and a great attitude towards life!! Then as Chevy expanded Ted and I tranfered to different area's but we still saw each other at the Pool league as well at retirement parties and Ted was always the same guy!! I will miss his smiling face and attitude!!
I will miss you!!

“ Ted was a band member of the AnTekes as am I. Ted became a good friend through our many gigs together. I know that he very much enjoyed singing and playing the sax with the band. He often sang our opening song, Kansas City, and did a great job. Other songs that he liked to do and that sounded great included The Wanderer, Run Around Sue, and Tequila. We will miss him very much. Peace to you Ted. Don Carney

Liked the bike rides. One bench we will need to add his name. Also Ted and his emergency flashing lights.

It has been my great pleasure to know Ted for several years... from the early days of our careers at GM, to most recently playing music as a member of the "New Beginnings' band..

Ted was an absolute joy!... Great sense of humor, excellent musician, and good friend who will be sorely missed.
