*Dear Swack family, I worked with Ted at Mutual of Detroit. I was truly surprised and deeply saddend when I read of his passing. Ted was extremely friendly and a very nice guy. He loved talking about hunting and going up north. Like Ted I to enjoy hunting up north and fishing at our cabin in Canada. So I can relate to his passion for the outdoors. Ted, I know where you are looking down on. The great woods up north, where you loved. My prayers are with you and your family. May God Bless you,man. Love forever, Dave Jones*
