“ *Dear Ron, Bob, and Sue,*

My sincerest condolences to you and your families on the passing of your dear sweet mother. She held a very special place in my heart. She still made me feel special after all these years, with all the birthday cards, letters, Christmas cards etc. I loved your mother with my whole heart. I still have the letter your dad wrote to me when she was so ill, April of 2004.

My prayers are with you and your families. May God heal your hearts and never forget the loving memories of such a great lady!!

Love & Hugs,

Dee Dee
