“ Theresa was a nail customer of mine for many years. We shared so many laughs, memories, and great conversation together and she was a very special friend of mine. I will miss her and I am so happy that she was a part of my life. Anyone who knew Theresa was surely blessed by her friendly demeanor and genuine smile. My prayers and thoughts are with her family at this most difficult time.

“ Jackie and I both owe you a lot of gratitude for taking care of mom for so many years. We always enjoyed you being at every family function always ready to help with anything. Always giving of yourself in so many ways. I will always treasure those Saturdays shopping with you on Harper and Van Dyke at Leytons. After what seemed the entire day, I got treated to lunch and then a hot fudge sunday at Sanders. Then...I got to shop at the model car store with my \$1.50. The best part was I got to keep my \$1.50. For all the times you helped, let me wash your car on McDougall and drive it up and down on the side of the house, use your car for dates both the 63 Ford convertible and the 65 T Bird, for being there whenever I needed you for whatever I needed...thanks. Have a black russian on me with Dad, Mom and Bob. And as ma used to say...keep smiling! Love you...Gary and Jackie

“ I wish to extend our condolences to Terry's nieces, nephews and families . Terry and I go back to !957 when we both started working at the Gas Company.She and Diane spent many times at my mom and dad's house after work on Friday's they would come over and stay until Monday and go to work from our house.My dad called Terry and Diane his adopted daughters. We had some fun times together. Terry and Diane stood for our wedding in 1966 and we tried to do lunch from time to time when we could. She was a great friend and will be sorely missed by my husband John and I. Rest in peace girlfriend.

Love, Elvy

“ What a small world. I knew Theresa as a patient at Dr. Guyer's office. She was a very sweet woman, and I was very sorry to see that she had passed. My condolences to all who knew her.

“ Dear Aunt Theresa, Thank you for all the wonderful talks we shared over the years and the best one ever was you allowing me to call you my (adopted Grandma). The girls and I will truly miss our birthday, mother's day, father's day and Christmas visits with you. But we know you are in your happy place now with grandma and uncle Bob having the time of your lives. We miss you and love you.....

“ Thanks Aunt Theresa for always adding some fun to life. You taught me how to eat strange new foods like frog legs and lobster tails and fried ice cream. Mr Alinosi would give us refills on whipped cream when I was just about finished. Shopping with you at Winkleman's was always an adventure. You and "Uncle Art" let me tag along on your dates to Algonac. You were my aunt and "bonus mom" and I'll always love you so much that "it hurts in my belly-oh"! I know you are happy now, and know Mom, Dad and Bob are with you. Remember to "be a good girl". Lori Anna Sweet Banana
