“ I am so sorry I could not be at the funeral to honor and celebrate Aunt Terri this morning. My thoughts and prayers are with you. She and all of you were so much a part of my growing years. We were so close I thought we were blood relatives for many years. She was always kind hearted and welcoming and made me feel special always. I was very jealous of all of you in that you had the most wonderful Christmas tree every year that had bubblers. If only you knew how I loved those and visiting you at the holidays. Please celebrate your Mom with joy. She had a long and prosperous life where we touched many and made my life and theirs better for having her in it. Love from Christine Walas Berro.

Aunt Theresa was always there with a big smile and a beautiful cake. She was a wonderful person and we are all lucky she was part of our family. May we celebrate the beautiful person she was. She will be missed. All my love from Bridget Gordon.

“ My dearest Aunt and Godmother I was just thinking about you yesterday and wondering why I should remember September 21! September was always a busy month for you with celebration of at least 4 birthdays that I remember (uncle Fred, Ken, Dan, Jim(?). All the cakes beautiful cakes that you made! I remember the beautiful doll cake you made for one of my birthdays and wondered how it was even possible to make such a cake.
I was sorry to have missed your last birthday due to Covid and regret not seeing you afterwards. You remain a special person in my life and will always be my special and favorite aunt. Send my love to the rest of the Kings and Queens of the Pinochle Club. They have three complete tables now of the “Original 12.” God bless you all !
