“ Fr. Ray and Carolyn: My mom and I send our sincere condolences on the loss of your mother, Theresa. Your mom was a lovely lady and we always enjoyed talking with her at our Choir auxiliary luncheons. We have lots of memories from various St. Raymond events that your mom and dad participated in. Always keep the memories close to your heart. Now your mom can play cards with the rest of the auxiliary ladies!

“ The Lewandowski Family has been one of the nicest families that I have known in my lifetime. We go way back to the 1950"s. My children grew up with Henry and Theresa's family. JoAnn walked to Trix School with my Joe. Raymond and Bill used to ride bikes together and I am sure they went further than they were supposed to go. Carolyn & my Kathy were what we called Candy Strippers at Saratoga Hospital. Both girls became nurses. Oh, so many memories with the Lewandowski families. My Theresa is named after Theresa. She and Hank are Theresa's God Parents. I could go on and on. I am really glad that I was a friend with Theresa. Amen

“ Sending my prayers to the Lewandowski family and asking that God will give you all strength in your time of grieving and bring you even closer together as a family. I will truly remember all the lovely and funny stories that her daughter Carol shared with us about Theresa. I loved the way Carol took care of her mom and spent so much time with her, because mothers are so special. I can tell you earned lots of crowns here on earth, so you can throwing them at His feet in heaven now. Theresa I know you will forever be missed.

“Moms are special people that can never be replaced or duplicated but can be remembered and cherished forever. Theresa did her job here on earth and now it's time for her to work in heaven watching over her wonderful daughter Carol and shopping in the Hamtramck of the sky. I will never forget how she kept me in the best Polish delicacies. Bless you and your family. Vicki Cicone

No matter how long we have someone, it's never long enough. God wanted Theresa and I to meet and I'm so blessed we did. I never realized how attached you can get to someone in such a short time. She was a very sweet and special person Carol and I think you are a lot like her. I'm sending my thoughts and prayers to you and your family. Mom is at peace now. Bye bye for now.
