“ Aunt Theresa will be missed by many. Her laugh, her smile. She loved those around her greatly. After dad passed we would call each other just to check in on my way home from work here and there. I was just saying the other day I needed to call her to check in and it wouldn't have been answered 😞 rest easy, enjoy the reunion with the others in heaven where you can breathe easy ❤️ Lindsay, Eddie, Robbie, Dean.

“ Theresa was my sister in law, but she felt more like a sister to me. I loved her dearly. My brother could not have chosen a better wife. I will miss her for the rest of my life. She was the last survivor of my generation on the Nixon side of the family which leaves me alone in that regard.
