“ I always think of Aunt Theresa as having the happiness gene. She looked on the sunny side of life, was cheerful and optimistic always. It was fun to talk with her about what her family life was like growing up with my mom, Dorothy, NaNa and DziaDzia, and about her memories of my mother. You will be missed, Aunt Theresa, and you definitely live on in the hearts of those who love you. Ilene

I can't help thinking that we've lost our "historian" Aunt Theresa had a great memory for dates and events, she could remember even great nieces and nephews birthdays. She liked to have fun, truly loved and was proud of her family. We'll miss you, Aunt Theresa. Diane
