“*Mrs Szabelski was like a second mom to me. She always treated me as if I was part of there family. From holiday get togethers to family trips she always included me. When people use the phase "Heaven gained an Angel" well Heaven certainly did. They gained a really good one. I'm going to miss seeing her smile or hearing the old polka songs she loved to play. My sincere condolences to Tom, Julia and their families. She will be missed.*

*Love

“ Mrs Szabelski was a second mother to all the kids in the neighborhood and at the school if needed. She certainly was to me at least. She was patient and kind and always calm. I love her so much and will miss her and her high pitched super sweet voice. I hope you are doing crafts and listening to your polka music my sweet lady. Thank you for your love the last 30 plus years. You were adored. Love always, Lynna
