Special "Ohma" to 12 Grandchildren and many Great Grandchildren.

Tess had a successful 36 year accounting career at Chrysler Corp where many coworkers became like family. In her retirement she was a faithful volunteer for Beaumont Hospital in Troy.

“ I have wonderful memories of Tess. Living in the same condo court we were so close. So many nights we would call each other to see if we were both okay. So many times she would be sitting in her nook with her light on so you always knew she was home. I loved knowing her and I will truly miss her. She talked about her family and what was going on, she loved you all so much. Definitely a true friend. Love to all of you 💕💕

“ My condolences to all of Tess’s family. She was a lovely lady. I got to know her through my sister who lives in the same condo court. She was bright, cheerful and funny. She would talk about her family and all the different things she was doing. Wonderful memories.

“ *Tess was a loving and caring friend from 1990 when Tess & Bernie became our neighbours at the Lex RV Park. What wonderful times we had...the happy hours, annual breakfasts, group meals and just happy visits. Loved meeting her family including Tracy and her family, Babe and all the Virgin girls. Always kept in touch with visits, calls and cards. Tess had a very special soul and I will miss her. God Bless and sincere condolences to her family. Lyn Crook*

“ *I was so very blessed to have her as my Mother. She was thoughtful, kind, giving, fair, always there for me. Her and my Father had a love like no other. I have so many great memories throughout my life with her. So many stick out and I smile at every one of them. We loved to come home and spend time with her & my Dad. Even though biologically she wasn't my Mother, I always considered her my Mother. She taught me many lessons in life and gave me her opinion anytime I needed it whether I wanted it or not. She taught me how to drink out of a box of wine. She'd say "now Peg when you think the box is empty it's not, you pull that bladder out and you've got a couple more glasses!" I'm truly going to miss her with all my heart. I love you Tess*
