“ Our thoughts and prayers to all of the family on the passing of Auntie Theresa. We will always remember her wonderful laugh and the mischievous twinkle in her eyes. “ We were so sorry to hear of Auntie Theresa's passing. We didn't hear of her death until after the funeral on Monday. We would have liked to come to the funeral home to say goodbye to Auntie, but since we were unable to, we would like to send our condolences to the family and let them know they are in our thoughts and prayers. Auntie Theresa was a very special lady who always had a smile for everyone she met. She will be greatly missed. Auntie Theresa is now partying in heaven with my Mom & Dad and all her family and friends that went before her.##imported-begin##Pat & Bob Swartz##imported-end##

“ As a grownup now. I realize growing up just how important the memories we create can mean. Theresa, her husband Bill and the kids in their family back when meant so much to me that when I look back I know just how fortunate I am in how they touched my life and my family lifes. Although we have not seen each other for a length of time it does not mean they are not in our hearts always with us. Theresa is now home with God, her husband Bill, her daughter Marilyn, and Arlene. I give my sincere thanks and appreciation for the Michalak family for being and touching my life. May, Theresa rest in peace. Thank you for the many beautiful memories that will always remain in my heart.##imported-begin##John Firu##imported-end##

“ I will deeply miss my spunky "red headed" friend. I met her 15 years ago as a volunteer grandma in my classroom. She was adopted as a "Grandma" by many children at Keith Bovenschen School, as well as like a "mother" to some of us without one and a dear "friend". She lives along with her many kind deeds in all of our hearts and will not be forgotten. Our loss is heavens gain...##imported-begin##Sherry Hanley##imported-end##
