“ *Tom and I grew up on the East Side of Detroit and met at the Boy's and Girl's Club. As kids, we were ALWAYS competing at something, whether it be basketball, checkers, foosball... whatever. We all had that drive to win at whatever we were involved in. I'm glad I got to catch up with him a little at the Boy's & Girl's Club reunion recently. Stunned by his sudden passing. Prayers & Condolences to his family.*

“ *Condolences to Tom's family. I was shocked and saddened to learn of his passing. We worked together for many years and enjoyed teasing each other. He was always someone I could rely upon to help solve a problem. I remember how much he loved going to the amusement park to ride the roller coaster with his niece years ago. Rest in peace Tom.*

At work, he would always make time for his co-workers, and was always willing to help.

He always spoke highly of his family.
