“ Dear Tom, I will miss you so much, you were like a special angel to me. I always looked up to you and at times followed your ways because you are my big brother, Growing up together was always adventurous and as we got older filled with with more memories to cherish. You were a great family man to our family and extraordinary with the birth of your son Robert. It was such a joy to be part of your life as your dedication to Robert and Monica brought into life the birth of their daughters Leah and Nicole.

Tom, I still don't understand why you had to go through this illness as you did the last several years but I was very happy for you that you were able to have Robert, Monica and the girls close to you which I know made you so happy.

Tom, my heart is broken and will taken many prayers to heal but please know that I love you and will forever miss you. You are now at peace forever in the loving arms of God.

“ During this time of sorrow may the words of Jesus bring the family comfort. In the Bible at John chapter 11 he demonstrated that our loved ones like Tom can live again, and he promises this will happen when he says at John 5:28-29 “...the hour is coming in which all those in the memorial tombs will hear his [God’s] voice and come out...”. My heartfelt wish is that this message of hope brings the family peace.

“ Uncle Tom was a very special uncle. One who always brought a smile to my face and had a kind word to say. And also usually a pretty good one-liner to say at the most perfect times that would make a room bust out laughing. He truly should have been a comedian! Uncle Tom, you will be missed more than you could ever realize and I will treasure each and every memory of you I have in my heart forever. I love you!!!

“ Tom was a one of a kind guy. He was a gentle, kind and loving man. I was lucky enough to have him as my cousin, my very first best friend and my first playmate. I will always cherish the memories of playing church and restaurant on the landing at our grandparents home, running through the sprinkler in our grandparents backyard, walking down to the corner store with our Grandpa to buy candy, walking down to the park on Blumfield with our Dads to watch the fireworks on the 4th of July, the band in the basement on Preston, summer trips to Metro Beach, going through high school together, double dating for Homecoming, graduating together, annual big family Thanksgiving dinners, the family holiday parties, all the birthday parties, having the special honor of the two of us becoming godparents to Christina, and hearing that voice at the other end of the phone saying "hey girl" and "love you". Tom's memory will live on in my heart and in my memories and I will miss him more than words can say. "Hey guy....I love you"
