“ *We hadn't seen each other in many years. Last conversation I had with you was you telling me you were in Texas only 20 mins away from me. I hate we didn't catch up. Growing up was always a blast. Amanda, you, and I would always get pizza and rent movies to watch at your dads house. Seems just like yesterday. Rest now with the angels. We got it from here. ❤️*

“ *Since going to cousin Carolyn's home for family dinners over the 2 yrs, I had the sheer pleasure of getting to know and talk with Tommy. He was a kind, gentle soul who always had a great outlook on life and gave GREAT HUGS. I am so grateful that I had the pleasure of meeting such a great man , who was taken away from us so very early in life.! He will be greatly missed by everyone! Rest In Peace dearest Tommy, Big Hugs, Cousin Millie*

“ I have a lot of memories with my Tommy! He was and will always be like a brother to me. He was always there to help when I needed him. He was so easy to talk to. Tommy had the kindest heart and never spoke bad about anyone. He loved his family dearly. Always said nice things about family and only wanted to be with them every chance he got. The one memory I'll never forget is the endless campfires we sat around and talked till we could no longer stay awake. He was my concert and camping buddy. I'm going to miss him so much. At concerts he let me stand next to him and sing, even though I sounded like a frog he never walked away from me. lol. Tom loved people for who they were and he never judged them. "Park Ranger Here". Sorry inside joke those who know will laugh. I love you Tommy!!!! This is not goodbye, I will see you later.
