“ Just found out about Dr. Hiegel's death today when I was trying to locate him to make an appt., it has been a few years since I saw him. He was a fantastic dentist, saved a lot of my teeth years ago. His father-in-law worked with my father, Charlie Kita, at TRW many years ago. What a wonderful person he was. Rest in peace.

“ Dr. Tom Hiegel and my late husband, Ed Grace, were best friends growing up. The four of us would do a lot of fun things together. I'm so sorry for your loss Joyce, I know what you are going through because when I lost Ed it was a terrible hole in my heart. I will definitely keep you in prayer. Only the Lord can give you comfort during this time of sorrow. Love you. Yvonne (Grace) DeVaney. I have remarried two years ago.

“ *I started working for Dr. Hiegel as a co op in High School in 1976. I couldn't have asked for a better first boss. He encouraged me to get a degree in Dental Hygiene and supported me through the whole process. In 1981 I became the first Hygienist in the practice. He was wonderful to work for. He loved his staff and his patients. He had such a kind heart and was so supportive and fun. I feel gratitude and joy when I think of the 10 years we worked together. He will always have a special place in my heart. My condolences to Joyce, Lisa and Scott.*

“ *I had the pleasure of working for Dr Hiegel and Dr Bansen for 30 years as a Dental hygienist. I've cleaned the teeth of many people sharing their memories of Dr. Tom! The best boss ever, and a truly fine human being. He was such a down to earth guy, and he always supported his staff. Just a warm, caring person. Rest easy, Dr. Tom*

“ Tom and I go way back, almost 76 years. Our mothers and grandmothers were best friends growing up and so were our families. So many good and wonderful memories, from playing "Murder in the Dark" on Canonbury St in Detroit to annual Boblo outings and picnics. At our wedding, Tom caught the garter and his sister, Pat caught the bouquet! It was hilarious! While Tom took good care of our teeth, he also took good care of our hearts. Rest in peace dear Tom. We will miss you so much.

Love,

*P.S. I tried to upload my picture, but this old dog couldn't learn this new trick.*

“ Tom and I met and became good friends in dental school. We practiced side by side for 35 years and shared many of life's experiences over that time. He always had a positive attitude toward life and a caring attitude toward people. I am sure he will be deeply missed his family and many friends. P.S. If I know Tom he has probably talked Dave, Jeff, and Kenny into starting a Saturday morning foursome.

*Dearest Joyce, Scott and Lisa, our deepest condolences for you on the passing of your husband and dad. I worked with Dr. Hiegel for 14 yrs and he was one of the most generous and kind person I have met. “ Knew Tom through Delphine Glaeser many years ago. Needed a dentist! More than a dentist a dear friend since 1979. Tom is in Heaven watching over his family and friends. God be with his family.

“ We have so many fond memories of Tom.  
From the day we met him to the last time we saw him; he always had a huge smile and warm embrace for us. We enjoyed his stories about golf, bowling, euchre and friends many times through the years.  
There was nothing he wouldn't do for his children and his grandchildren were so very important to him and contributed so much to that smile.  
When he and Joyce married, we were so proud to call him "brother". St. Sebastian is the patron saint of sports, and I am confident he was sent to escort Tom to heaven!  
I think we can all agree when we all get to heaven Tom will be one of the first people we look for.

“ Tom was one of the good guys! I met him through Scott, playing Saturday golf about 20 years ago. Tom welcomed me right into the group and after a few holes, made me feel like I'd been part of the gang for the last 50 years. I'm blessed for the opportunity to have met him. Undoubtedly, he is arranging a bowling league or golf tournament in heaven right now!!

“*Tom was my cousin and my dad’s godson. He was also my dentist my entire adult life until he retired. Back in the 90s I had a large 6 tooth bridge, that was put in before he was practicing, front & center that needed replacing. I was terrified! Tom agreed to give me laughing gas. When he pounded the bridge out and it finally gave way, it went flying across the room. He didn’t skip a beat and said “Well I guess we won’t be using that as a temporary!” After having had a snout full of gas, I was howling with laughter. Tom was a kind and caring individual. Whenever I saw him outside the office, he’d greet me with a smile, a hug and he’d say “Nice to see you upright.” He was a really special guy. RIP - you will be missed.*
