“ I met Tom when he and Jane moved to Merrimac Circle in Clinton Township, directly across the street from my wife and me. As time progressed we became good friends and enjoyed many good times together. Tom was a fun-loving guy who always had a joke to share. I really enjoyed his company and missed his friendship after I moved to California in 1983. We kept in touch for awhile and even visited each other. As the years passed we drifted apart and contact diminished. His passing makes me realize how important it is to maintain contact with friends you make during your lifetime. I regret that I will not be able to share a laugh with Tom anymore. Rest in peace my friend.

“ Jane,

I'm so sorry to hear of Tom's passing. I remember him as a fun loving guy always joking around. We used to bowl with you and Tom at Klee's bowling alley on 6 Mile in Detroit back in the 70's. We also remember him as a great drummer when he played with Tony Rossi. As a matter of fact, they played for our wedding back in 1974. Our deepest sympathy to the whole family. We'll keep you in our thoughts and prayers. Harry & Norma Kosmala.

“ *I first met Tom when he was my mail man. He stopped one day and asked me if Charles was my brother and I of course responded it depends what did he do, then he said nothing yet but he's dating my daughter. That's how he became part of the family. Tom and Jane always welcomed the McEachin extended family to their home. Grandpa Tom was the only grandpa James has had and he will be greatly missed, but now he has started partying in heaven with my parents so the party will never end. Tom will be greatly missed by all of us.*

“ To the family of Tom Prisby. I am so sorry to hear of the passing of our co worker Tom. I worked with him for many years at the Mt. Clemens Post Office. He was definitely a character! A very funny, fun, nice person. The brothers and sisters from NALC Branch 654 will miss him, and we all send our sympathy and prayers.

“ Tom not knowing you would've been a great loss, but to know was is a gift we will all treasure. Thank you for making me laugh so much and so hard, I would double over on many occasions. Tom bring your sense of humor to heaven, get them laughing up there. The guys from the old neighborhood that knew you so well, will miss the occasions we all could get together an reminisce. Anyway, tell St.Peter about your buddies back in the day, and before he stops laughing, slip away threw the Pearly Gates.

“ Many memories of Pris. Could drive a golf ball without dropping his smoke. Loved to shoot at the old deer trees. Liked to sing , always said we should have a doo-wop group from the hood. Did a fantastic job painting his garage floor around his van tires. Love to call Sam those Italian names 😊.  
Loved life!

“ Our deepest sympathy to Jane, Charles, Alanna, Charley, Andy, Sara, Nick and Tommy. Our family sure will miss Tom. We will never forget the July 4th Celebrations. He was as excited as the kids to shoot the fireworks! Tom was always welcoming to the whole McEachin clan as we invaded his home and pool. Isabella and Brent were blessed to have Grandpa Tom in their lives and we were too! May God Bless You All!
