“ Thomas “pawpa” was is and always will be the best and kindest man I will ever know. He took me and my dog Riley’s all “the chief” under jis wing which later for him the nickname “white angel”. He was soo loving strong but fair. He adopted us when my family tossed me out. He said sometimes people in life need to help other a to make up for things they did or to feel better. Tom was army even after retiring. I have so Michelle respect and love for him. Thomas captain Im feeding your squirrel babies and thank you for being in my life and Riley’s. You truly are an angel now it’s solidified. Rest in peace your memory will live on forever every day in my mind and heart. Your neighbor safe Riley’s life in the lake. You have some wonderful neighbors here. I love you. They are taking and their wing. They all miss you. We all do. Rest in peace. And anybody that reads Thomas would not want flowers he would want a tree or something dedicated to the beautification committee in Chesterfield. He was very proud of that. He paid for most of the trees and had Mr. Dave plant them. God bless you all safe and happy holidays. Life is short love the ones who love you back. And I don’t one day I’ll be able to be with my loved ones. Pawpa you left before seeing angel acres with us. Seeing it from above, doesn’t count. We love you.
