“ Dear Joyce,

*We are deeply saddened by the loss of your mom and the struggle that she was going through since last summer. Our hearts weep for you, your children and your siblings. Please know that you have our support for when you want to talk or cry, or just plain need a big hug, with no words spoken. I pray that God walk with you during this difficult time, and always be near in your heart throughout your journey.*

*With Love and Friendship,*
