“ To TeTe

*I stand here today to commemorate you,
Not only as a cousin, but as a friend so true.
As long as I remember, I called you TeTe,
A nickname you allowed only by me.
In our youth we would build forts, play games, and swim,
We had some wonderful times, didn't we Tim?
As teens we partied, attended dances and barbecues with friends,
We had so much fun.... I didn't want it to end.
And even as adults living so far away,
We had long talks which would brighten my day.
Coming up from Florida, Patty and you would invite me to dinner,
Smiling, remembering, you always made me feel like a winner.
Now your leaving breaks my heart to no end,
You will always remain in my heart,
My cousin, my friend!!!! Diane*

“ Tim, you were a supervisor, and a valuable co-worker in the early stages of my career. I will always remember your dedication as a family man who always had kind words about his family, your wife, and bragged about your kids. After I left the city I always enjoyed stopping in and saying HI at City Hall and our discussions on how my career was progressing. You will be missed.

My condolences to your wife Pat and kids, Emily, John, & Thomas.

“ Patti, Emily, John, and Thomas-

I worked for your husband/dad for over 13 years at the City. And for those 13 years I had a manager who always treated me with respect and who provided me an incredible number of opportunities to grow and learn in our profession. I will always be grateful to him for the trust he had in me.

Anyone who knew him, knew how proud he was of all of you and how much he loved his family. There is no doubt - he would have been one hell of a grandpa!

Many prayers are being sent your way as you all go through this time of grieving.

“ *Patty, Emily, John, Thomas and Haney Family:*

I was just crushed by this news. While Tim was a consummate professional in his work, his joy came from all of you. He was so proud of each of his kids and, Patty, he knew he had been given a great gift from God in you. Tim's in a place where there are no mathematical errors and expenditures never exceed revenues. Everything adds up to "777". I will miss my good friend but cherish a lot of fond memories of our times together.

“ *I am so sorry for your loss. Tim will be missed so deeply by those whose lives were touched by him. I wish I could be there in person, but please know you are all missed and loved very much. I didn't think the depth of pain of those lost this year could deepen, but it seems the year of 2013 is God's brightest angels.*

“ As my big brother you teased me without mercy, giving me the strength I need when life gets rough. You read at our wedding with that smirk on your face upon reading 'be fruitful and multiply'. You literally jumped for joy years later when we announced our pregnancy. You gave Colleen your business card when she was five telling her to call you if she ever needed anything, I think she still has it somewhere still. You never missed a euchre opportunity, and pouted like a three year old when no one would play! (My turn to tease you back). You never, ever let me leave without a hug and always said 'Love you Sis', followed by my traditional Love you too. Thank you for your love and laughter all these years.
