“ I served with 1LT Mink in the 177th MP BDE. 1LT Mink was a caring officer and had a great sense of humor. My fondest memories of him was when he would do impressions of a SGT he made up, chewing on a cigar. Always had me laughing so hard when he would go into character. We lost a good man. Rest in Peace, Warrior.

“ I first met Tim in 1987 at University of Detroit ROTC. He was someone I admired and I took a liking to him right away. He was always happy, had a smile on his face, liked to have a good time, and was a jokester. Thank you for your service to our country and all the sacrifices you made along the way! You will be missed my friend! Rest in Peace Tim.

“ My childhood memories of my second cousin Tim... "flashlight tag" at the cottage, "magic 8 ball" at Grandma C's and singing at the top of our lungs to "Jeremiah was a Bullfrog". My fondest memories of Tim were watching him achieve his dreams of a military career, interacting with his godchildren whom he loved dearly, and learning to speak the Polish language. Tim was a "bigger than life" guy that knew how to have fun, give a good hug, and throw a party. He truly enjoyed his family, friends, and heritage. He will be missed and remembered by all of us whose lives he touched and made brighter. With love and prayers, Caren Kehrer

“ If GOD grants me the chance, I will search for you brother on a crisp autumn morning in Northern Michigan as the sun burns the fog off a renowned trout stream or famous salmon river. I will watch for the big guy in his broad brimmed hat, dressed in camo and waders, and armed only with his trusty fishing rod; wading in search of the perfect hole, the perfect fish and his "perfect dream". After you share your natural warm humor with our Heavenly FATHER may he grant you the chance to follow your star to that "perfect dream". I will miss you Broheim, I will miss you! “ Tim was one of the first person to greet me when I joined the PAO unit at Ft. Custer. We bonded over hockey and as friends throughout my time in service. I loved getting a phone call from him and chatting about what's bugging him. He always said 'Heya Lucky' (nickname in the army) and always had a big smile on his face. Much love to Cheryl and the Mink family. He will be missed.

“ *Such a devastating loss! "Big Tim" had so much love for life. Such a loving and giving man. Who's going to help us hold the line at Cheeseburger now? I always enjoyed your presence each summer in Caseville (except maybe the snoring) and you will be greatly missed. The tiki bar just won't be the same now. Love and comfort to your family as they cope with your loss. ❤️*

“ Someone who would give their shirt off their back is a phrase people casually throw around when describing the character of a person. Well, a few years back this actually happened to me! It was a rainy morning and when returning to work after lunch I coincidentally ran into Tim in the work parking lot. I remember parking next to him and walking into the office together. Tim, on our way to the office mentioned that my tire looked flat. I ran back to the car to assess the damage and as Tim being Tim he of course followed. I remember searching for the jack and before I knew it Tim jumped under my van found the jack and in a large puddle of water immediately started the arduous task of replacing my flat in a huge puddle of water all while still in his white dress shirt. It took a few minutes but after it was done Tim was soaking wet with a big smile on his face and as I stood there he said no worries Steve it's just what friends do! That story always stands out in my mind when I think of Tim, I only wish I was as good a friend to him as he was to me! Tim is Tim, someone who would no matter what would always help a friend in need. God Bless Tim and Cheryl through Tim's journey to Heaven.
