“ May, we can't find the words to express how sorry we are to hear about Tim. We have such fond memories of the times we spent with both of you, and he will be so missed. He always knew how to tell a story and make you feel so comfortable. You and your family are always in our thoughts and prayers. “ *Jane, and Boomer Family*

Im soo sorry for your loss, my heart goes out to all of you during this difficult time. Its never easy to bare the loss of a loved one especially a father, husband, uncle and friend. Mr. Boomer was a kind man with a beautiful family and although his time seemed not long enough you've been blessed with the time you have had together, but know he will always be there looking down on you and watching over you. Its unfortunate Jane that he will not be here to witness the birth of his new 'grandbaby' and what a wonderful, loving mother you will be - but know how proud he is of you and how strong you have been. You will have many memories and happy moments and great stories to share with your baby about his grandfather and those memories you can cherish forever... May God watch over you, protect you and ease your pain... Love you, Melanie###imported-begin##Melanie Notarangelo###imported-end##
