“ Oh Tim, I am so heartbroken that I had only met you a couple times. I wish so deeply that I could have gotten to know you better. And I wish you could have spent more time with Madelynn..much more time. She has already grown up so much since you saw her, and I wish you could have been a part of that. We have the beautiful earrings and teddy bear you gave her for her 1st birthday and we will always always cherish them. I will be sure to tell her about you, how I wish you could talk to her yourself..I'm so sorry Angelina and family.##imported-begin##Melissa Bentley##imported-end##
