“ *Tony, I'm sorry i will not be able to come give you a good bye send off. Your jovial spirit is what i will always remember. I didn't reply to the last message you sent me just a couple of weeks ago 'cause i just didn't know what to say and it saddens me that i will never see or hear you again. You will be missed. Love and hugs to you and your family . xoxo. Hope Sawyer*

We are all like siblings - loyal, love hard, fight hard, play hard. I will remember all of the many memories, funny sayings and laughter. “ *Bone, you are my first cousin, and my best friend. My life will never be the same. I sat here in my house tonight, watching your mom surrounded by her cousins comforting her. That was supposed to be me and you when we were older.*
