“*Hey Dad! I know that you are in GODs hands now and I know that you are no longer in pain but this time has been harder than I thought it would be. We all miss you so much and sometimes I just keep thinking that you will come walking thru that door again, even if its for one single second. I just wish that I would have gotten to tell you goodbye at the hospital, I didnt though and I know you are the one to understand why I wasnt there. We will never forget you dad and i just want to say that Im so sorry that our family cant get along. nobody can change us tho. we r silly! none of that changes our love for you Dad! “ FOR YOU DAD! I will never say Goodbe to you cause I know this is not the end, I know we will see eachother again. You're only going to a place where there is no pain or suffering. Here deep inside my heart you will always be. I would give up everything I have to hug you one more time. I felt the world stop when I got the call saying you were gone. I wished you were still here, I wished I was only dreaming. Your body must lay at rest now, its harder than I thought. Time hasto take its course now cause there's nothing left to do. Its so hard to let you go but I must return the gift GOD gave me. Always remember that I'll forever love you. see you in heaven Dad! Till then I'm gonna Miss You... Rest in Peace Buddy! 2/14/56-12/2/10 Happy Birthday Dad! We all Miss you and Love u! XOXOXO###imported-begin###Kristina###imported-end##

“ God looked around His garden
And found an empty place.
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He saw the road was getting rough
And the hills were hard to climb,
So He closed your weary eyelids
And whispered "Peace be thine".
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.--Unknown

Dad-Bryant, You will be missed. Whenever I see Bianca or Cierrah smile I will always think of you...they have that famous Prather smile. May you rest in everlasting peace and your spirit live on forever. Love Ty###imported-begin##Tyleen Phillips###imported-end##

“ *Miss Me*

*Miss me, but let me go
When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free*

*Miss me a little - but not too long
And not with your head bowed low
Remember the love that we once shared
Miss me - but let me go*

*For this is a journey that we must all take
And each must go alone
It's all a part of the Master's plan
A step on the road to home*

*When you are lonely, and sick of heart
Go to the friends we know
And bury your sorrows in doing good deeds
Miss me - but let me go*

“ I thought I was prepared for this day, the day the lord came and took my brother away. My tears won't stop and my heart still aches, dear brother I know,
Jesus has walked you through his gates. Soon my tears will dry, for I
know what the future will bring, we all will be there with you someday to walk with our heavenly king.

I love you Bryant, you will always be missed. Give our brother Leon a hug for me.##imported-begin##Laurie Merriweather##imported-end##

“ *A Better Place*

*He's in a better place right now
Than he's ever been before;
All pain is gone; he's now at rest;
Nothing troubles him anymore.*

*It's we who feel the burden of
Our sadness and our grief;
We have to cry, to mourn our loss,
Before we get relief.*

*We know we'll reconnect with him At the end of each life's road;
We'll see his cherished face again
When we release our earthly load.*

“ Grandpa Prather,

I know we didn't get the chance to know each other as well as you would have liked. I want you to know that I LOVE you no matter what and I am thankful that you were there waiting in the lobby until Lucas was born. That meant the world to me. I am grateful that you were able to hold your great-grandson, I will forever treasure that moment. Rest in Peace until we meet again.

Love always,

“ *first i would like to tell the prarher family, iam so sorry for your loss. my prayers are with all of you.*

i also want to say "poppy" was a nice guy. while brock and toby were working on my house, poppy would come by once in awhile and sit on the porch. once he even got up to help, i couldnt believe it. as sick as he was, they poured cement in my family room and poppy came in and took over so the job would be done right. thank you poppy! at least now you at peace and not hurting anymore.
