“ Tracy was not only my sister in law but in 28 years we learn alot about each other the good the bad the ugly. But one thing I can say is she loved her kids unconditionally and they loved her the same. The day Nova was born she was eastactic she spoiled Nova like no other. I'm so blessed to have spent a family dinner 3 nights prior to her passing . She was a great mom and would do anything for anyone . I love you Tracy and you will be miss everyday until we meet again I love you to the moon and back your sister Pam ❤️❌
