“ Val was a good friend and neighbor. She was very helpful to me and my family after I lost my wife 24 years ago. She was always there for us when needed. She will surely be missed. My families thoughts and prayers are with George and the family.

“ R.I.P Valary. You were my sister-in-law for 50 years. I was so happy to be with you and George at your 50th anniversary celebration. Over the years we had many fun times together during Holidays and family get togethers. I am also glad that we got to share another Christmas together with family. You left us too soon as did so many others.

“ Even though I was only a son in law you will always have a place in my heart. I have a lot of fond memories of us being together playing pinochle with Kim and George til late at night. It didn't matter who won or lost because it was fun. Also all the great times we had on camping trips that we did together years ago when the kids were little and having to bring all those toys, a playpen and even a wading pool. It seems like it was not too long ago when I first met you and George. Then I married Kim and then before you know it, it's 36 years later, how time goes by fast. I'll miss you.
Love ya. David
