“ You laid there in that hospital
bed, you tried so hard to hold on.

*God was calling you home. He needed
another angel to help pour out the rain.*

*Tears have fallen, hearts were shattered,
but it was time for you to fly home.*

*Your loved ones came to say their last goodbyes,
to tell you they loved you, and that you will be forever missed.*

*As your heartbeat stopped, and your eyes slowly closed,
God took another angel home.*

*With love and fond memories,

“ I met Mickey back in school, I was very good
friends with his wife Lisa, we had the pleasure
of seeing each other at friends weddings over
the years. I can't believe this has happened.
There isn't a day that goes by that I haven't
thought about Mickey, Lisa and the kids. I am so sorry for your loss,
Praying for your entire family. R.I.P. Mickey

“ I still can't believe he is gone. He was such a wonderful person. To know Mickey was to love him. He had the biggest heart & would do anything for anyone. I only have the best memories with him. He made me laugh!! He was such a jokester. I'm going to miss him so much. I know he will be watching over his family, as now they have a guardian angel. RIP Mickey, you will be greatly missed. XOXO

Dear Victor, I am so sorry for you. I know how much your dad meant to you. You loved him so much. You liked all the things he did with you from listening to Iron Maiden to buying new shoes. Your dad will be missed forever. Your friend, Eric.

*Mickey was a GREAT dad and LOVING husband to my sister Lisa- We will all miss him dearly-He was our brother for 15 years and we all have such wonderful memories- He truly loved my sister Lisa and showed my family all the time his great love for her and his children- I pray that Lisa and the kids will overcome their grief someday and know that he is watching over them. The sorrow will never leave my sisters heart because Mickey was TRULY her soul mate- but time will heal and his spirit will stay with Lisa and the kids- May God heal your hearts and souls and may God take care of our Mickey-
