“ My prayers are with your family each and everyone of you. Your mother was a classy lady. And I know you are going to miss her so very much. There will be a big hole in your life that was filled by Vera. I pray that the good memories will be ever present to shore you up as you move through the grief of letting her go on to her Heavenly reward. I Believe God has said to her, " welcome home my good and faithful child:!" You are each one in my prayers and thoughts and will continue to be.
