“ *Vicky has been a very true and dear friend of mine for over 30 years. I am so going to miss her smile and that ever so constant bubbly attitude! Over the years we have shared some very beautiful and intimate moments and I know that her children and grandchildren are her world. I will miss her more than words can say. God has truly called one of his angels home. Rest In Peace my dear friend. I will love you always.*

“ *This is very sad...Vicky and I were the same age and retired from CHM at about the same time. We worked in the same department for many years and had many conversations both professional and personal. She was always very helpful, cheerful and was very competent. Whenever I had the opportunity to see Vicky, she always put a smile on my face...she was just a delight to be around. It was the departments loss when she retired. Her family was the most important thing in her life and my condolences go out to them. I'm sure they miss her very much...*
