“ *Uncle Jim, I will miss your smile more than anything. From the time I came into the family 35 years ago, you were always so kind to me. I too loved your stories and constant teasing. I know you are in a good place and suffering no more. Everytime I look up into the sky at the stars, I will think of you.*

“ I will always have great memories of Uncle Jimmy, especially of going to Uncle Jim and Aunt Barb's house to celebrate New Year's every year (what a great family experience) with the whole huge family, the massive amounts of food served, playing cards and gambling with some hefty pots on the line in serious games of "In Between." Uncle Jim was an awesome story teller-especially to kids-where he had a knack for stretching the truth about his experiences from scuba diving with big Barracudas to him being best friends and teammates with Pele-the soccer legend. Those stories would always keep me on the edge of my seat wanting to hear more. Thanks for the memories...##imported-begin##Christopher Conflitti##imported-end##
