“ *Dear Kathy and family:*

We were sorry to read of the passing of your mom. Although it has been many years since we lived across the street from you on Highland Drive in Warren, we can remember what a nice lady she was. You will be in our thoughts and prayers.

“ *Basil, David and Kathy:*

Sorry to hear about the loss of Vi. Despite it being a long time ago, I still have fond memories of Vi visiting our cottage, MSU with my mom and the casinos. She was a great friend to my mom. RIP.

“ To our son in law David and his family, we want to express how much we will treasure our memories of Vi. We shared so much. We will always remember her visits to Las Vegas and how much fun she had visiting the neighborhood casinos. But we shared something much more memorable. We shared a wonderful granddaughter. We will do our part to help keep the memories of Lia's grandma whom she loved so much flowing. It is with sadness that we say goodbye, but know that you are now in God's hands.

“ We lost a loving friend when Vi passed away. We have so many memories from Michigan when she worked with my Dad, General Thomas at Tarcom and after Dad and Mom moved to Florida. Chet and Vi were yearly visitors to our home in Palm Harbor until her health prevented it. I remember the competitive card games, the shopping trips to Tarpon Springs and her Macaroni and Cheese. We will always have those memories. She loved my Dad and took his passing hard. They will be together again and will not skip a beat. God bless you Viola and thanks for the precious memories. Rest in Peace until you reach Heaven, then raise HELL with the General. The Thomas family will miss you but will hold you in our hearts.
