“ our wonderful neighbors for 18 years, Virginia & George were the first to welcome our family to the neighborhood. I celebrate the wonderful person that Virginia was and feel blessed to have known her. There is peace knowing that Virginia & George are together again. My thoughts & prayers are with her family, whom I know that she loved, as she spoke lovingly of them so much to me. I will miss her. Patti Ciechanowski

“ I will miss Virginia as she always had a smile on her face, and a kind word to say. She was a very loving and holy person. May God Rest her in Peace as she is a beautiful spirit. Our loss, God's gain. So many positive memories of joy and love.

Best wishes and prayers to my brother Jim and his family.

Love, Chuck

“ We will miss the calls from Aunt Virginia, when she would call to check on us in NC. She would always asked about the kids and how everyone was doing. She was a very loving and caring Aunt, we always felt very loved by her. Wish we could have had one more phone call, to chit chat for a while.

You will be missed

“ There are so many fun memories I can't even begin to say. I am so glad I was able to spend more than a few quality days with my dear Aunt in the past year. She will be missed but I think she is so very happy now to be reunited with the love of her life Uncle George. She talked about him all the time. Lots of love Janine

Aunt Virginia was a sweet lady. She was a caring Aunt, who came to our very small wedding, something we've always remembered. She will always be in our memories. Our thoughts and prayers are with the family.

“ My deepest condolences to you "Becky" and your family. I am so glad that I got to meet your Grandma when she visited Austin. One meeting and I could see the joy that she illuminated. God bless you and your family during this difficult time. You are blessed to be surrounded by love. Love, Mrs. Rumph.

“ I am so sad to hear about the passing of your Mom. I remember the first time I met your Mom and Dad I could see how much they were in love. After your Dad passed away, I would always tell your Mom what in inspiration she is to me because as a widow she did not let the grass grow under her feet. When your Mom wanted to get anywhere she would call the "Smart Bus" to take her places. You Mom was always very independent. Such an awesome quality.

Linda and family, I will always remember your Mom's great personality, contagious smile, and positive attitude. You Mom never let anything get her down.

You Mom meant more to me than you will ever know. I loved our hugs and conversations about life and how much she loved her family. She was like a Grandma to me.

P.S. Love you Linda.
