“ We were all very sad to hear of Virginia's passing. She was hardly ever seen without a smile on her face and was the light of any table she was sitting at. We enjoyed her immensely and were heartbroken to hear of her passing. Please know that our thoughts and prayers are with you all. The staff and members at the Shelby Township Senior Center.

“ So sorry to hear about the passing of my friend and neighbor Virginia. We will miss sitting on her porch in the evening with the ladies having our social time together. Although the last few months not so much, she did tell me she was failing and that she has lead a nice long life. She did love her family, and loved it when she could see her great grandchildren Olivia and Lucas she would always talk about them. You will be missed Virginia I'm happy we were friends. God Bless.
