“ We grew up together on E. State Fair in Detroit. She was my cousin and my friend. I think our houses had revolving doors as we were always at one house or the other. Visiting, having coffee or lemonade with Ginny and Auntie. We were so close growing up. After her and Bill were married and starting a family they moved right next to us. Even better! She was a blessing to so many. Ginny was loving, kind, hardworking and loved her family so very much. When Tom and I got married, Ginny and Bill stood up in our wedding. I can still see them at our 50th Wedding Anniversary. I will cherish the wonderful memories we have and keep them in my heart. We are so sad, but know that she is with all those she missed so much. Heaven truly gained an Angel. Rest In Peace, Ginny. We love you. Our deepest sympathy to all of you. She lives on in each of you.

“ *Growing up in Detroit with my cousin living just houses away made us Very close. We were all going back and forth to each other's houses for as long as I can remember. I will never forget all the great times, all the laughter and of course “coffee time” with Ginny and Auntie (her Mom). A pot was always brewing on the stove and then we'd catch up on our day. She would do anything for her family and proved that being such a devoted and hard working woman, wonderful Mother and raised 5 great Kids/Adults. She was so proud of her kids and grandkids. She was the person I always looked up too. After all she taught me to drive, and I must say I heard her say “Carol Annie watch it” more than once. Love you Ginny I know God has a very special place in heaven for you. After all you deserve it. United again with those gone before you. Forever in my heart. RIP now Ginny
