“ *To "The Kargol" girls - I want you girls and your families to know that  
our hearts hurt for all of you. I will always think of you girls as my  
"cousins" because of your terrific parents. When I think of your  
parents, I always smile. I remember, as a child, seeing how beautiful  
your Mom was with her hair always in an "up-do" and always  
reminding me of Esther Williams - always beautiful inside and out.  
And Dad, what can I say - he was always fun. I know my parents,  
John and Helen Tono, are welcoming your Mom - now the foursome  
is complete. I lost touch with you girls, but you are always in my  
heart. Love and prayers to all. Stay strong.##imported-begin##Pam

“ Michelle and Arni and family,

*I was saddened to learn of your mother's death. I know the last few months were difficult ones and I often thought about all of you. Your mother was a special and dear lady. Because of this, you will always have wonderful memories of her. Unfortunately I have a previous commitment on Saturday and will be unable to attend. Please know that you are in my thoughts and prayers.*

“ Aunt Virge, you were always there for us and the family. I appreciated all the long talks we had at the kitchen table - you were always supportive and had a listening ear. We love you and thanks for being the "model" aunt that every family should be so fortunate to have. Love, Nancy and Jim###imported-begin###Nancy L Hartley###imported-end###

“ I will always remember you as the most beautiful mother both inside and out. All the times you waited up for me after a date, doing the ironing on the iron rite, watching Johnny Carson on TV. How we would talk for hours about everything both in person and on the phone and it continued through the end. You taught me so much and I will always carry you in my heart and speed dial! Love You###imported-begin###Elise Richey###imported-end##

“ Aunt Virge showed tremendous support and care during my childhood. She was a loving and passionate 'great aunt' and I am blessed to have been close with her and her beautiful family. She was a strong member within the Narozny family and always kept everyone in line. She will be in my heart forever and I will miss her dearly.###imported-begin###Chris 'CJ' Hartley###imported-end##

“ Grandma, We miss you more and more each day. Having you at Michele and Arnie's house in Oak Park was a blessing, us getting to spend so much time with you. I do believe my fondest memory of you is being your roommate in summer 2009. Dinner once a week at Alex's in Berkley and me being your well-to-do cheuffer. I wouldn't trade the time we had together for anything, you were such a great person!  
Thank you for being you, and may God bless your heart. I know Grandpa was awaiting your arrival in heaven.###imported-begin###Audrey###imported-end##

*Dearest Queen Mother,*

*You have brought so much joy, love and laughter to our family through the years. I must say I had the BEST mother & father.
