“ hey grandma, I know that you're probably thinking: "what the hell took you so long?" well, up until now I didn't even know that this web site existed..that is, not until dad died. I want you to know that I love you, I always have and I'll never stop. You were such a huge part of my life. I remember all of those days when we were young and would come to your house after school. You would do puzzles with us, make me ham and cheese bagels and I loved playing with your magnetic bingo chips. Your's and grandpa's house was always warm with love and I truely miss you so much. I love you always.##imported-begin##corey##imported-end##

“ Mom,  
There is not a day that goes by that I do not think about you.I miss all those things that we did together,I would give anything to have you and dad back.  
You really do not know what you have until it is taken away from you.Mom, you and I were so much alike, both stubborn.I never said those three little words to you much during your life,and I regret that now that I know I will never have a chance to now.I want you to know that I always loved you,even more than chocolate!Mom you have know idea how much I miss you,I am trying to cope with your loss,I was hoping that by expressing these words it would help ease the pain.I am sure that as time goes by it will get easier, but I want you to know that I will never forget.I hope you are in a better place now with dad, and that all your pain is gone.Let the angels guide you through your knew life.  
I Love You,

“ Many yrs. ago I had no where to go. A broken home that Ginger took me in and made her house a home to me. A mother replacement, the best that could be. Now she is in a much better place looking down on me. One day I hope and pray that Ginger will be waiting for me again, with open arms in her knew place called home. Love always, kathy.Q.##imported-begin##kathy quarrella##imported-end##

“ DAVE AND I WILL ALWAYS REMEMBER YOUR MOM AT ALL YOUR PARTIES SITTING SURROUNDED BY EVERYONE TAKING IT ALL IN, HOT OR COLD SHE WANTED TO BE APART OF THE ACTION. I REMEMBER HER BEING THE KIND OF MOTHER WHO WOULD DO ANYTHING TO MAKE THE FAMILY HAPPY, WAITING IN LINES TO BUY CONCERT TICKETS, MAKING SNACKS WHATEVER SOMEONE HAD A CRAVING FOR ( CARLA YOU WANT A BAGLE WITH SOME CREAM CHEESE) I THINK THE MORE PEOPLE AROUND HER THE BETTER. WE WILL MISS SEEING HER AT THE PARTIES BUT WE SHALL SAVE HER A SEAT.##imported-begin##MOE & DAVE##imported-end##

“ It's funny how you never really look toward the future and imagine something like this could happen. A beautiful life taken away from you at the drop of a dime. It really makes you want to cherish all of the memories that you spent with that person. Grandma, I cherish every waking moment I spent with you. People always ask me where I obtained my intelligence from, now I know. I have finally recognized that it was from you. I remember all the days that I spent over your house during elementary. You taught me how to read, how to write, (thus my girly penmanship), and how to care. Soon enough I will be Dr. Nihranz and it was all because of you. Those daily insulin shots that I administered started it all. I am a better person because of you and I will miss you dearly. I love you Grandma.##imported-begin##Chad Nihranz##imported-end##

“ *Jinger was always smiling. She liked to think she was hard as nails, but she was as soft as a kitten. There will never be another Jinger. She was one of a kind. The world is a better place because she was here. -Doris*

*She was a nice person, a wonderful person, a wonderful LADY. - Carol*

*She was a fun-loving person. -Linda*

*She was funny. -Alice*

*She was very bubbly. She held her end of the table down. She was the captain of this team. Always grateful. -Denise*

*She was a very spunky lady. -Don*

*She was a sweet lady and she sure was funny. -Nancy*

*I enjoyed her humor, like her whole personality. She was a nice person to be around. -Ella*

*We will all miss Jinger's humor, kindness, spunk, and smiling face at A Friend's House Adult Day Services.##imported-begin##Friends at A Friend's House Adult Day Services##imported-end##*

“ Grandma,  
You will definitely be missed by all who knew you! I'm sure we'll all lose a few pounds with you not around to feed us all. You have touched all of our lives. I know that you and grandpa Sonny are finally together again. We love you.
