“ I was extremely sad when when i found out that great-grandma had passed away. I know i didn't talk to her much but i was still devastated. I know that she's in a better place and she doesn't have to suffer anymore. She is now in heaven and may her soul rest in peace. I do miss her a lot but I am happy that she has no more pain. When i saw her resting peacefully it seemed as if she was smiling because she had no more pain. I miss her a lot and i love her with all my heart. Now she is reunited with great-grandpa so that's good. I love you great-grandma!! xoxoxoxoxo##imported-begin##Breanna Spanski##imported-end##

“ So sorry to hear of your loss. I visited your mom two years ago at Christmas and she was so pleased to see me. I received a Christmas card from her every year and with none this year I feared the worst. Be comforted in the memories. My thoughts and prayers are with you.

“ Dad and Aunt Rose -
I want to let you know that my love and prayers are with you during this sorrowful time. I know that Grandma is now in a much better place where there is no more pain and she can finally be with Grandpa again after all of these years. I hope that time will pass quickly so that your pain too will ease. I'm so sorry that I can not be there in person, but please know that I am there in spirit.
All my love -
