“ *She was a second mom to me. When I was ten she took me to a show, downtown and then we bought some cool loafer shoes. After we went to the “Top of the Flame” for dinner. They had geisha girls. It was so beautiful. I ordered shrimp dinner and back then it was 14.00. It was boiled shrimp and I thought it was supposed to be fried. Anyway it was wasted and I will never forget it. I miss you aunt, and love you very much . When my kids were young and we only lived fifteen minutes from you, I remember escaping and just you and I had some good talks. Loved her so much!*
