“ Hello Klimkowski's,

I am saddened to hear about the sudden passing of Walter. I recall being openly invited into the Klimkowski home to participate in the Easter egg decoration tradition in that warm home, and Walter was part of that. It is a fond memory I have and hearing about his sudden death is truly heartbreaking.

My thoughts and prayers are with you all in this time and I wish you all the best. Walter will be missed.

Warmest regards,

Eric Beale

“ We are so sorry for your loss. Walt was a friend and a co-worker for over 20 years. It was so much fun talking about the travels especially the Disney trips. He was so proud of his family! We really enjoyed attending Michelle's high school musicals and I looked forward each year to seeing the photos of Walt in his dance costume. Walt will be remembered at a Mass at St. Lawrence Parish in Utica.##imported-begin##Marge & Gary Hermsen##imported-end##

“ Aunt Pat, Wally, Susan, Michelle and Brian, Tammy and I were sorry to hear about Uncle Wally. I am sure with his wit and humor, he would have made light of his own passing. He will be missed with the thought that he could make most anyone smile when having a conversation with him. I will always remember the great home movies and the good stories he would tell when we could get together.

Tammy, I and the girls will keep you in our prayers. It is with great sadness that we cannot be with you and my father (George) during this time. Our thoughts will be with you. May God Bless You and keep you in his Grace.

Love Tammy, Pete, Ashley and Jenna##imported-begin##Peter and Tammy Klemkowsky##imported-end##

“ Auntie Pat, Wally and Michelle I think that you all know how we felt about Uncle Wally, we had such a great time when you were all out here in Las Vegas last spring we laughed for hours. I also wanted to tell you Pat how much it meant to me when you both introduced me to hockey and when Uncle Wally gave me my first car the Blue Max as we called it back then and my first legal beer, there are so many other great times and memories that I will remember for the rest of my life I am so sorry that that we can't be there with you and the family but you know that we will be there in our hearts Love Dawn and Brad.##imported-begin##BRAD &DAWN LIPKE##imported-end##

“ I interacted with Walt pretty much every single day through our years together at work. At various points he was my boss or my co-worker, but always my friend. His love of family, laughter, a good tale, a musical, the Theater, vacations, cocktails, hockey, and so much more...all these things make me smile when I think of Walt. Packing up his desk, here at work, was filled with sorrow and with laughter...he was one in a million and I will miss him dearly! My thoughts are with you his family. May you find peace.##imported-begin##Carol Hanney##imported-end##

“ Pat,
May the Lord be with you at this very difficult time. I will be there for you on Saturday, but it cannot hold a candle to the times you were there for my mom (especially the times I was unable to be there for her). I owe you so much and if there is anything I can do for you, please don't hesitate to ask.

“ Dearest Pat, Wally, Sue, Michelle, and Brian:

We were shocked and really shaken with the news of Wally's sudden passing. We both will remember him mostly for his creativeness with his homemade videos. He was such a warm and friendly man and will be missed by all. You are all in our prayers. We plan on attending the visitation on Friday night and the service on Saturday. Take care of yourselves and please let us know if you need anything or if there is a way we can be of help to you. We are giving you your space at this time, but you know we are a phone call away.
