“ *Walt was my friend from out early days at Mound Park Elementary School in Warren. Although our lives took different paths we remained friends. Living nearby it was always pleasure when we would accidentally meet, and share stories from the old neighborhood.*

Rest in peace my friend.

“ *Walt was a kind and wonderful man. No matter how many times i cracked my joke about him letting me take the Mustang for a spin he always smiled. He brought joy to everyone he encountered. He will be greatly missed.*

“ So sorry to hear about Wally, such a sweet guy who always had a big smile. Wally and I worked together at Sears for 30+ years, and were friends right from the start.

After we retired, we always kept in touch, and I enjoyed visits from him and Marsha and seeing his beloved Model A and Mustang. I know he will be missed by many.
