“ *What I am gonna miss most is spending the night and watching hocus pocus with him. And when I use to rub his back with my feet, I will miss that alot. And sleeping next to him when I would spend the night. And i will miss playing video games with him. And most I will miss going to Metro beach with him.##imported-begin##Joey Sierengowski##imported-end##*

“ Grandpa,

*It seems like just yesterday i was a baby in your arms. You have come and gone so fast. You have been a huge part in my life. I don't know what i am going to do without you. You have done so much for me and made me realize so many important lessons for life. I wanted you to be there at my wedding and when I graduated collage. I am so sorry that I was not there for you when you passed away. But just so you know, I love you very much and i miss you! One thing I do know, is you may not be here physically but I know that you are always here with me; watching me; protecting me. Even though your gone, to me, you are ALWAYS here. You were the best grandpa I could ever ask for.. and i still can't figure out why God would want to take you from us. But God always has a good reason for what he does. You will be truly missed by everyone who knew you. I love you so much and I hope you know that.*

*Love you forever and ever, Your granddaughter ~Tarah~##imported-

“ Dad-We all love you very much.  
You have taught us everything in our lives from riding a bike and fishing, to getting a good education, working hard and saving money- to how we should treat others, as well as how we should be treated. You have made me know the kind of man I want to be with in my life, and I cannot imagine you not walking me down the aisle on my wedding day. You were always there to help everyone, even if not deserved. You always cared and wanted to help...and you are one of the most selfless people I know. You have been like a father figure to your grandson Kyle-teaching him as you taught me, reading with him, playing computer and video games with him and helping him with school work...from watching you build legos, to hearing you help teach him to be a good person-a big part of the great man he will become, will always be because of you- He loved his "Dee" so much. We both LOVE and MISS you so much-but, in our hearts you will always be there for every moment and memory to come-

“ Dad,  
I am honored to be a part of your family and to carry your name. I want to thank you for being such a great example to your children. It is through that wonderful example that you taught your son to be a faithful husband and great father. I will be indebted to you forever. I Love You and will miss you, until we see each other again.  
Love Always,

“ Dad, words can't describe what you have meant to me. You my daddy, my friend, my mentor, I am so empty inside right now - because I miss you oh so much. You have taught me to have fun, treat a women right, to be a caring daddy to my kids, to love Jesus with all my heart - and also (by your example) how to be a real man! You have been also a great Brother, Uncle, Grandpa, Father in-Law, and friend to others. In my heart you will always be; all the times we shared, bible readings, the laughs, the sports talks, fishing, hunting, thank you Dad for all you have done for me and the rest of our family - I LOVE YOU, YOUR THE GREATEST (MY HERO) DAD IN THE WORLD.

“ Happy memories I remember of my uncle Walter Camping, fishing, hunting-treats and picture shows- Visits and presents on birthdays and Christmas- which always brought me joy- Helping me to become a man from a little boy- Sorrow and grief that I now feel, can never pass away but I hold the memories in my heart until we meet again one day. With love to aunt Sharon and Uncle Walters family.

“ *From my heart to yours*

*Three sisters and three brothers we will always be-  
God called one and five remain-  
Who knew? who could see?  
With sadness in our hearts that our brother Walter  
passed away-  
Our memories will remind us each of happier days-  
Things we did together or those we did apart-  
There was love for each other always in our heart-  
All of us will miss him-  
But I know one day-  
The Lord will bring us ALL together-  
For this I'll always pray.*

*We're so sorry to hear about your loss, and although we've been  
miles apart when I heard the news I felt as though Walt was  
standing right next to me. I will keep him and your entire family in  
my thoughts and prayers throughout your time of mourning as well  
as the days after so that the strenght of God can be with you all.*
