“ Dear Greg, Fred and Families:

We wish to extend our Deepest Sympaty for the Loss of your Dad, Walter. We have many, many fond memories of the days long ago which we have shared a lot of fun times together. We currently will remember seeing him at dinner in Hamtramck, in which we still had a lot of laughs with him. That is how we will remember him! We are truly sorry that we cannot be there today but my/our illness prevents that from happening. I have been only out of the hospital for two (2) weeks, today. I would love to chance it---but I better not. We will miss him GREATLY but will meet up with him at a later time! Our thoughts and prayers remain with you and your Family! Our Love To You Walter! May you be welcomed home by Our Father, Lord and Savior!

God was good to bring you into our lives. We are grateful for the time you spent with us. Your wisdom, warmth, gentle humor and genuine goodness, blessed our family with much joy. We will miss you always. But we know that on the other shore your precious Anna and loved ones are happily waiting to greet you, and God will welcome you home by saying:

“ "Dad" Zajdel remains dearly loved by so many people, and I'm sure he feels that love. My prayers to him for a blessed rest and reunion with his God and his loved ones who left this world before him and have been waiting for him to join them. And additional heartfelt prayers to his family as they suffer the loss of his daily presence, and also await that happy reunion.##imported-begin##Karen Majewski##imported-end##
