“ It was a great pleasure and an honor to have worked with Wally at Burton Abstract & Title, St. Paul Title and First American Title for some 30 + years. We shared a lot of good and not so good times together. To my good friends Marge and Walter, you have my sincere and heartfelt sympathy during this sad time.

Let me leave these few words with you and hope that you may find comfort. Life is currently described in one of four ways: a journey, a battle, a pilgrimage, or a race. Select your own metaphors, but the necessity of finishing is all the same. For if life is a journey, it must be completed. If life is a battle, it must be finished. If life is a pilgrimage, it must be concluded. And if life is a race, it must be won.
