Tribute Wall

“ *This is to Brenda, daughter of the late Mrs. Dozek. If we were childhood neighbors on Montlieu Street near Detroit City Airport, I extend my condolences on the death of your Mother.*

Just the day before seeing her notice via DetNews.com, while seeking some of my photos of our Holy Name School classmate Tom Wall, I also noticed your 1957 high school graduation photo!

If you'd like to catch-up some more, my wife and I live in Black Mountain, NC, and our E# is VerJoe@charter.net

Regardless, y'all are in our prayers, Joe###imported-begin##Joe Tomczyk###imported-end##
